Dear Parent/Guardian:

Identifying students who need help learning English is important so they can get the support they need to do well in English language arts/literacy, mathematics, science, and other subject areas in school. The Summative English Language Proficiency Assessments for California, or "Summative ELPAC," is the test used to measure how well students understand English when it is not the language they speak at home. Information from the ELPAC tells your child’s teacher about the areas in which your child needs extra support.

Beginning in February, students in transitional kindergarten through grade twelve who are classified as English learners will take the Summative ELPAC every year until they are reclassified as proficient in English. Students are tested on their skills in listening, speaking, reading, and writing. Your child’s voice is being recorded as part of the Speaking test. A small percentage of student responses will be used to validate the accuracy of scoring and will not be used for identification. All recorded responses will be destroyed after the scores are validated.

February 2020 through May 2020

You are an important part of your child’s education. To help your child get ready for the test, you can:

- Read to your child, or have them read to you on a regular basis.
- Use pictures and ask your child to tell you what they see, or what is happening in each picture.
- Provide your child with opportunities to use language outside of school.
- Talk with your child’s teacher about your child’s listening, speaking, reading and writing skills to help support their progress.

To learn more about the ELPAC, go to the California Department of Education Parent Guides to Understanding Web page at https://www.cde.ca.gov/ta/tg/ca/parentguidetounderstand.asp.

You also can look at sample test questions on the practice tests, which can be found on the ELPAC Web site at https://www.elpac.org/resources/practicetests/.

If you have any questions about your child taking the ELPAC, please contact Rachel Whitaker at rwhitaker@chimecharter.com.

Sincerely,

Hey Middle School Students.
Do you need a new lock?

Every student in Middle School was assigned a locker at the beginning of the school year. All personal belongings must be kept in the locker throughout the school day. Students may not carry their backpacks into class or leave them in the hallways.

It is the student’s responsibility to maintain a clean and organized locker and to keep it locked at all times. Locker combinations should not be shared with others. If a lock goes missing the student should replace it immediately.

Please ask your students this weekend if they have a lock on their locker and if not please send them with a new lock on Tuesday.

Thank you for your assistance in keeping students’ belongings safe.
