Uniform Complaint Procedures (UCP)

This document contains rules and instructions about the filing, investigation and resolution of a Uniform Complaint Procedures (UCP) complaint regarding an alleged violation by **CHIME** of federal or state laws or regulations governing educational programs.

This document presents information about how we process UCP complaints concerning particular programs or activities that are subject to the UCP.

A UCP complaint is a written and signed statement alleging a violation of federal or state laws or regulations, which may include an allegation of unlawful discrimination, harassment, intimidation or bullying. A signature may be handwritten, typed (including in an email) or electronically generated. Some complaints may be filed anonymously. A UCP complaint filed on behalf of an individual student may only be filed by that student or that student's duly authorized representative.

A complainant is any individual, including a person's duly authorized representative or an interested third party, public agency, or organization who files a written complaint alleging violation of federal or state laws or regulations, including allegations of unlawful discrimination, harassment, intimidation or bullying in programs and activities funded directly by the state or receiving any financial assistance from the state.

If the complainant is unable to put the complaint in writing, due to a disability or illiteracy, we shall assist the complainant in the filing of the complaint.

CHIME developed the Uniform Complaint Procedures (UCP) process with policies and procedures adopted by the governing board or the authorized designee.

According to state and federal codes and regulations, the programs and activities subject to the UCP are:

A pupil fee includes a purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.

A pupil fees complaint may be filed with the principal of a school or with our superintendent or their designee. A pupil fees complaint may be filed anonymously, that is, without an identifying signature, if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance.

For complaints relating to Local Control and Accountability Plans (LCAP), the date of the alleged violation is the date when the reviewing authority approves the LCAP or annual update that we adopted. An LCAP complaint may be filed anonymously, that is, without an identifying signature, if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance.

We advise complainants of the right to pursue civil law remedies that may be available under state or federal discrimination, harassment, intimidation or bullying laws, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may also be available to complainants.

Investigating UCP Complaints

The UCP complaint investigation is our administrative process for the purpose of gathering data regarding the complaint. We provide an opportunity for complainants and/or representatives to present evidence or information.

Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

Refusal by **CHIME** to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to

cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

We ensure that complainants are protected from retaliation.

We investigate all allegations of unlawful discrimination, harassment, intimidation or bullying against any protected group. Unlawful discrimination, harassment, intimidation or bullying complaints shall be filed no later than six months from the date the alleged discrimination, harassment, intimidation or bullying occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

UCP Complaint Resolution

We will thoroughly investigate the UCP complaint and issue a written Investigation Report to the complainant within 60 calendar days from the date of the receipt of the complaint, unless the complainant agrees in writing to an extension of time.

This Investigation Report will contain the following elements:

- the findings of fact based on the evidence gathered;
- a conclusion that provides a clear determination for each allegation as to whether we are in compliance with the relevant law;
- corrective actions if we find merit in a complaint:
 - for complaints regarding Pupil Fees; LCAP; Physical Education Instructional Minutes, or Course Periods without Educational Content, the remedy shall go to all affected pupils, parents, and guardians,
 - for all other complaints within the scope of the Uniform Complaint Procedures the remedy shall go to the affected pupil,
 - With respect to a Pupil Fees complaint, corrective actions shall include reasonable efforts to ensure full reimbursement to all pupils, parents and guardians who paid a pupil fee within one year prior to the filing of the complaint;
- a notice of the complainant's right to appeal our Investigation Report to the CHIME Board of Directors or to appeal the CHIME Board of Directors Investigation Report to the Department of Education (CDE); and
- the procedures to be followed for initiating an appeal to the CDE.

UCP Complaint Appeal Process

An appeal is a written and signed request by the complainant to the CDE seeking review of CHIME's Investigation Report that was issued in response to a properly-filed complaint. A signature may be handwritten, typed (including in an email) or electronically-generated.

The complainant may appeal our Investigation Report of a UCP complaint to the CDE by filing a written appeal within 30 calendar days of the date. In order to request an

appeal, the complainant must specify and explain the basis for the appeal, including at least one of the following:

- the Investigation Report lacks material findings of fact necessary to reach a conclusion of law, and/or
- the material findings of fact in the Investigation Report are not supported by substantial evidence, and/or
- the legal conclusion in the Investigation Report is inconsistent with the law, and/or
- in a case in which we were found in noncompliance, the corrective actions fail to provide a proper remedy.

The appeal shall be sent with: (1) a copy of the locally filed complaint; and (2) a copy of the LEA Investigation Report.

All complaints and responses are public records.
