

Welcome to...

SECOND GRADE!

Dear second grade families,

We have put together this list of supplies that will be needed for our new school year. Any and all supplies donated through our Second Grade Supply list will benefit the entire grade level and will be distributed evenly throughout the classrooms **before school starts**. If you purchase identical items elsewhere, please let us know the quantity so we can update our wish list. Each classroom would also appreciate Amazon and Target gift cards OR cash to purchase items for special activities and events throughout the year.

WE ARE ALSO REQUESTING A \$10 CASH DONATION FROM EACH FAMILY IN ORDER TO PURCHASE ITEMS FOR SPECIAL ACTIVITIES AND EVENTS THROUGHOUT THE YEAR.

Thank you for donating to ensure *all* students have what they need to be successful!

Gratefully,
The 2nd Grade Team

All students should bring a backpack, snack, lunch*, and a reusable water bottle.

**Lunch may be home-packed or a school-provided hot lunch. You must sign up in advance to receive school-provided hot lunches. More information available via Weekly Packet and/or ParentSquare at the start of the school year.*

We put all of the Second Grade supplies on this Amazon wish list** for your convenience.
